APRESENTAÇÃO

A Secretaria do Tesouro Nacional - STN, por intermédio da Coordenação-Geral de Controle de Responsabilidades e Haveres Financeiros-COREF e sua Divisão de Estados e Municípios - DIVEM, tem a satisfação de divulgar os dados referentes à execução orçamentário-financeira dos Municípios do Brasil para os exercícios 1985/1988, complementando o Volume XXX da série "Finanças do Brasil - FINBRA", já publicado por esta STN/COREF/DIVEM, em 1991, que contem dados de receita e despesa da União, Estados e Municípios das Capitais, para o mesmo período.

A presente publicação traduz o resultado final de um esforço de recuperação e reorganização dos dados coletados e interpretados pela antiga Secretaria de Economia e Finanças - SEF/MF, postos de lado quando de sua extinção em 1990.

Este trabalho, composto por quatro volumes e disponível ainda na forma de arquivos magnéticos no padrão das planilhas eletrônicas encontradas no mercado, conclui a série FINBRA, trazendo a público importantes informações sobre a quase totalidade dos municípios brasileiros, individualizadas e consolidadas a nível de Brasil, Grandes Regiões e Estados respectivos.

Fiéis às intenções originais de seus mentores, bem como às características metodológicas então definidas, trancrevemos a seguir a apresentação do trabalho bem como das notas explicativas elaboradas pelos antigos técnicos da SEF, antes de sua extinção.

MURILO PORTUGAL FILHO
Secretário do Tesouro Nacional

A Secretaria de Economia e Finanças tem a satisfação de oferecer ao público o Volume XXX do "Finanças do Brasil", desincumbindo-se de sua atribuição de coletar e publicar os dados financeiros das três esferas de governo: União, Estados e Municípios. Neste volume são divulgados os dados referentes a 1985.

Esta publicação apresenta a novidade de ter sido elaborada por processamento de dados, com a substituição do registro manual pela sua inserção eletrônica, ensejando maior rapidez na divulgação das informações e maior facilidade no trabalho gráfico. Apesar disso, esta publicação está sendo divulgada num prazo superior ao desejável, em virtude da necessidade de adaptação do trabalho aos novos procedimentos técnicos, situação que, espera-se, seja gradualmente melhorada nos próximos exercícios.

O trabalho é dividido em duas partes. A primeira apresenta a Receita da União, dos Estados e dos Municípios por categoria econômica, e a Despesa dessas esferas de governo por categoria econômica e por função, sendo que apenas os Municípios das Capitais estão incluídos nessa última classificação, já que o Decreto-lei No. 1.875/81 facultou aos Municípios com população inferior a 50.000 habitantes procedimento simplificado no que se refere ao cumprimento de normas gerais de direito financeiro e grande parte dos demais Municípios não as informou.

A segunda parte apresenta os principais itens da execução orçamentária do Tesouro Nacional do Ministério da Fazenda. Os dos Estados, do Distrito Federal e dos Municípios das Capitais foram obtidos diretamente dos Balanços elaborados pelas respectivas Secretarias de Fazenda ou Finanças, recebidos por esta Secretaria. Quanto aos Municípios do Interior, a coleta foi feita através de síntese de seus balanços, que nos foram encaminhadas pelas antigas Delegacias do Ministério da Fazenda nos Estados, através de formulário especial, a "Síntese de Balanço", criada por esta SEF.

A coleta dos dados dos Municípios, especialmente os do interior, representa um esforço realizado pela Secretaria de Economia e Finanças no sentido de possibilitar conhecer as finanças de todas as municipalidades brasileiras. Neste ano, por exemplo, a omissão de dados municipais não chegou a 1% do universo. Para atingir esse objetivo, tem sido imprescindível a colaboração das antigas Delegacias do Ministério da Fazenda em cada Estado, das Prefeituras, dos Tribunais de Contas dos Estados e dos Conselhos de Contas Municipais. A essas entidades a SEF agradece em seu nome e em nome dos órgãos públicos e entidades privadas, estudiosos e pesquisadores que procuram no "Finanças do Brasil" fonte de informação estatística para seus trabalhos.

Secretaria de Economia e Finanças.

NOTAS EXPLICATIVAS (*)

1 - Os dados financeiros da União, Estados e Distrito Federal, dos Municípios das Capitais e do interior são totalizados em "Brasil". Os usuários desses dados devem ficar atentos para que, ao utilizá-los, não incorram em dupla contagem, lembrando, por exemplo, que a rubrica "Receita Total", em cada esfera de governo, inclui "Transferências".

2 - O Decreto-lei No. 1.875, de 15 de julho de 1981, facultou aos Municípios com população inferior a cinqüenta mil habitantes a simplificação do cumprimento de normas gerais de direito financeiro, exigindo-se, no caso das Receitas, apenas sua classificação por fontes e, no caso das Despesas, apenas sua classificação por categorias econômicas.

3 - Os dados financeiros da União não contemplam, por unidade federativa, a Despesa por categoria econômica e por função, em virtude dessa informação ter sido omitida no Balanço da União.

4 - Os dados do Município de São Luís, capital do Estado do Maranhão, não foram informados pela Prefeitura.

5 - Os dados do IPTU e do ISS do Distrito Federal constam da coluna "Capital" da página 13, conforme tratamento que vem sendo dado a essas receitas municipais.

6 - São divulgados apenas os dados referentes aos Municípios brasileiros, sendo que não foram coletados os dados referentes a Roraima. As rubricas Estado, Grandes Regiões e Brasil representam a agregação dos respectivos Municípios. Tais informações constituem-se na Segunda Parte do trabalho preparado pela antiga SEF. Quanto à Primeira Parte, contendo dados dos Estados, relativos aos exercícios de 1985/1988, foi divulgada através do Volume XXX, publicada em 1991 pela STN/COREF/DIVEM.

7 - Os Quadros contêm as seguintes informações:

Quadro 1 - Receita Orçamentária, Receita Corrente, Receita Tributária, Total de Impostos, IPTU, ISS, Total de Taxas, Taxas pelo Exercício do Poder de Polícia, Taxas pela Prestação de Serviços e Contribuições de Melhoria;

Quadro 2 - Receita Patrimonial, Receita Industrial, Receita de Serviços, Total de Transferências Correntes, FPM, Participação em Tributos Estaduais, Demais Transferências Correntes e Demais Receitas Correntes;

Quadro 3 - Receitas de Capital, Operações de Crédito, Alienação de Bens, Amortização de Empréstimos, Total de Transferências de Capital, FPM, Participação em Tributos Estaduais, Demais Transferências de Capital e Outras Receitas de Capital; e

Quadro 4 - Despesa Orçamentária, Despesa Corrente, Total das Despesas de Custeio, Pessoal, Demais Despesas de Custeio, Transferências Correntes, Despesas de Capital, Investimentos, Inversões Financeiras e Transferências de Capital.

(*) Apenas as Notas de Números 6 e 7 foram elaboradas pela STN/COREF/DIVEM.
